ઓઓઔજઘણઠદટક>ચટગઠણઝઓથચઠટ
This amendment was recommended in 2020 by the Charter Review Commission. It would clarify that the Commission President (currently only the head of government for ceremonial and military purposes), is the head of local government for the purposes of the state Homeland Security Act. Currently, the ambiguity between state law and the charter leaves the actions of the president open to challenges. This language would strengthen the defense against and hopefully foreclose the possibility of any such challenges.
