Description

This summary should provide an overview of how funds will be used.

If approved these funds it will be used to provide a safe haven for our seniors, who come to the center daily Monday thru Friday for a meal from Caddo Council On Aging. These funds will help pay for utility bills and salary to the director that is required to assist our seniors. We usually rent the facility to provide the expenses, because the seniors are our priority we are not renting the facility due to covid.

Timeline

This summary should provide a written timeline to show benchmarks of implementation and completion.

Goal #	Tasks	Goal
1	To Keep our Facility open Safe for our seniors citizens	To continue provide a safe place for the senior's
2	Put on tenting our Facility	To prevent as much as possible the spread of the virus.

Outcomes

Explain the outcomes of the project and how it will benefit Caddo Parish.

I think the outcome of this plan will continue to serve our senior's citizens by giving them an opportunity to get out their home for a few hours safely without the worry of getting the virus. I think Caddo Parish will benefit from this plan, because our focus is to help stop the spread of the virus, not just to seek revenue.
