

Good Morning

I am Sgt. Gary Bailey with the Caddo Parish Sheriff's Office. I have been employed by the Caddo Sheriff's Office for 25 years in various positions. I have 10 years of experience in the K-9 Unit and for the last 7 years I have been working catching Livestock running at large in Caddo Parish. Before hiring onto the Caddo Parish Sheriff's Office I worked at Sam Houston Race Park. I rode horses and shod horses. I have had the luxury to working with animals just about my entire career. It will be my pleasure to assist Animal services.

Thank you

Sgt. Gary Bailey
