**SPECIAL RESOLUTION OF RECOGNITION & APPRECIATION
ROBERT J. WRIGHT**

WHEREAS, the Caddo Parish Commission acknowledges that the passage of time brings forth regrettable inevitabilities, among those being the necessity of saying goodbye to cherished friends who have chosen to walk the paths and live the dreams of retirement; and

WHEREAS, Robert J. Wright, the beloved and respected icon of on-air radio talent in Northwest Louisiana, has now made that choice, ending a career of over 50 years, including 25 years with his with on air partner Erin McCarty with whom he created such a popular and beloved morning show in 1996, that their audience followed the team from K94.5 to KVKI in 2003 to KEEL, where their show has been running since 2014. Wright's career started in Shreveport while he was still a student at LSUS and grew to feature stints with radio stations in Cleveland, Philadelphia and Orlando before returning him back to Shreveport in 1996; and

WHEREAS, Wright's ability to bring balance and critical thinking to stories, while tempering any conversation with sincere goodwill and good humor has earned him and indelible place in the hearts of those who are fortunate enough to have made the Morning show with Robert and Erin a part of their morning routine. Whether he is framing a story, lightening the mood or digging deeper and asking

the tough questions- he does so with a commitment to his community that shines through and makes the listener relate and realize that in this world of fast rotating reporters, there is tremendous value in a trusted voice who is truly invested in the area they report about, someone who recalls the beginning of stories that take years to unfold and cares to see it through to the conclusion, someone who knows how to pronounce all of the names of local streets and knows how to bring a smile to the face of his listeners as quickly as he can to his co-host of so many years; and

WHEREAS, Wright has fittingly chosen April 29th, the day after his 70th birthday, to retire, despite having predicted that he would retire closer to his 100th birthday in 2052, leaving many to lament his retirement as they will miss his personality and talent broadcast into their cars, offices and homes- but they will remember him with great appreciation for the contributions that he has made to their understanding of the local community and world around them.

NOW, THEREFORE, BE IT RESOLVED, by the Caddo Parish Commission, that it does hereby express its deep and sincere appreciation to Mr. Robert J. Wright for his invaluable contributions rendered on behalf of his service and declare, April 28, 2022 as:

COMMUNIQUES AND REPORTS

- Mr. Epperson wanted to know the status of the monitors. Mrs. Bryant said that they are working with the City. It is their understanding that it is a wiring issue, not a monitor issue.
- Mr. Jackson said that someone was not able to submit their application for the Summer Work Program. He wanted to know if the deadline has already passed. Mrs. Bryant said that the application deadline was April 15, 2022.

He also mentioned that the law students have been selected to finish their law degree in Shreveport. Mr. Jackson said that Southern University Law Center—Shreveport will receive their full accreditation in the next few years.
- Mr. Chavez invited everyone to Movies in the Park at Southern Hills Park.
- Mr. Hopkins encouraged all the Commissioners to look into Senate Bill 314, which is to create off-track betting in Louisiana. This concerns him because it will take monies away from video poker. He said currently, there is no money coming to local government from that.

- Mr. Young said that the Personnel Policies & Procedures will meet next week to discuss the property standards committee.

There being no further business to come before the Commission, the meeting adjourned at 4:35 p.m.
