

State of Louisiana

Parish of Caddo

In the Name and By the Authority of The
Caddo Parish Commission

PROCLAMATION

WHEREAS, February is designated as American Heart Month; and

WHEREAS, the death rate from heart disease in the United States has fallen dramatically since the 1960's, a significant health victory. Heart disease remains a leading cause of death for both men and women in the United States and unfortunately Caddo Parish; and

WHEREAS, we have learned much about factors that contribute to heart disease, how to monitor those triggers, and ways to treat them. We know that individuals can live longer and better lives by refraining from tobacco use, maintaining an optimal blood pressure and healthy weight, eating a healthy diet, and exercising regularly. Innovative tools and online systems give people more access than ever to information they can use to make informed, health conscious choices; and

WHEREAS, scientific research and evidence-based interventions to prevent or treat heart attacks and strokes have played an important part in making improvements. Developments in technology and discovery of early markers of heart disease have allowed doctors to diagnose and treat disease sooner than ever before. American innovators continue to develop treatments in drugs, equipment and strategies to educate Americans to stay heart healthy; and

WHEREAS, this month we stand with the families and friends affected by heart disease, and we recognize the ongoing efforts of dedicated advocates, researchers, and health care providers who strive each day to raise the awareness about heart disease in Caddo Parish.

NOW, THEREFORE, BE IT RESOLVED, by the Caddo Parish Commission, meeting in legal and regular session this 3rd day of February, 2022 that it does hereby proclaim February 2022 as:

'AMERICAN HEART MONTH'

in Caddo Parish, Louisiana, and urges all citizens to join with the Parish in recognition of this important month and encourage participation in the tradition of Wear Red Day on the first Friday of February, **February 4th, 2022** when everyone across the country is asked to don the color red in order to raise and spread awareness to help eradicate heart disease and stroke in millions of women across the nation.
